U1011
\$21.00

INDIAN TURQUOISE
U1012
\$19.00

PANSY PURPLE
U1010
\$21.00

Available in gallons only, Ultrastone is totally reclaimable and very stable during the firing with a range from cone 5-7. It has a thermal shock value unmatched in our industry. Go directly from the freezer to a hot oven or microwave without fear of cracking. The depth of color will deepen with higher firings.
